Language Learning	Language Requirements for Admission
Upon acceptance to ENIM, the language learning platform Tell Me More (http://www.tellmemorecampus.com) is made available to students. After a language level test, students perfect their skills with a tutor in workshops with a maximum of 12 students.	B1* in French (Courses are taught in French.) B1* in English *European language level (CEFR)

Requirements to Obtain Diploma

Students must obtain passing grades in courses and industrial work placements, a score of at least 750 on the TOEIC, a B2 level in English, and a B1 level in a 2nd foreign language (French as a Foreign Language for exchange students).

Diploma Fee: about 50€.

Make-up exams: Exchange students are required to stay until the end of scheduled exams. Make-up exams may be offered to students with insufficient results.

Grading System

Courses are assessed with on a grading scale ranging from 1 to 20, with 10 being the minimum passing grade. Assessment is carried out in various ways: written and oral tests, projects, group work, written reports and industrial work placement evaluations. Involvement in student life is also taken into consideration. Transcripts detail ECTS (European Credit Transfer System) equivalent grades from A (Excellent) to F (Insufficient) based on the student's ranking in his class.

ACADEMIC INFORMATION (CONTINUED)

Information on Courses

ENIM offers a 4th year and 5th year academic program which corresponds to **60 ECTS** (European Credit Transfer System) per year.

4th Year <http://www.enim.fr/portalenim/english/AcademicPrograms/FInitiale/Generalites/4thYear.shtm>

5th Year <http://www.enim.fr/portalenim/english/AcademicPrograms/FInitiale/Generalites/5thYear.shtm>

5th Year Specialization Options at ENIM

- | | |
|---|---|
| › Mechanical Computer Aided Design | › Production Line Management |
| › Energy and the Environment | › Quality and Continuing Improvement |
| › Logistics | › Research, Development & Innovation |
| › Industrial Maintenance Installations Management | › Mechanics Materials Structure Processes |
| › Polymers and Eco-design | › Innovative Design in Industrialization |
| › Product Lifecycle Management | › Computer Security and Information Systems |

Transmission of Transcripts

Transcripts are sent to partner universities in July for exchange students present during the entire year or second semester. For exchange students present during the first semester only, transcripts are sent in January.

USEFUL INFORMATION

International Relations Website: <http://www.enim.fr/portalenim/francais/RInternationales/>

Accommodation

Through an agreement with the Centre Régional des Œuvres Universitaires et Scolaires (CROUS), we offer exchange students a choice of affordable student housing. The prices range from about 140€ to 400€ a month. Other options include private dormitories, room or apartment rental or living with roommates. Students are required to take an apartment insurance policy before moving in to their accommodation.

Health Insurance

Students from outside of the European Union are required to sign up for health insurance, which costs about 200€ per year and covers 50 to 70% of medical expenses. Optionally, students may take an additional complementary healthcare plan to cover the remaining fees. There are two organizations to choose from: MGEL (<http://www.mgel.fr>) and LMDE (<http://www.lmde.com>).

Cost of Living

Students will need **approximately 1500€ upon their arrival in France** to cover health insurance, apartment deposit and insurance, first month's rent, long stay visa, etc. There are no tuition fees for exchange students. Students should anticipate a **monthly budget of approximately 600€**. A meal at the University Restaurant costs about 3€.

Visa

The visa process before arrival in France is taken care of by the organization **CampusFrance**. Once in France, our office will help students complete the process by validating their visa through the Office Français de l'Immigration et de l'Intégration (OFII). More information: <http://www.campusfrance.org> and <http://www.ofii.fr>.
